**Invitation for Quotation for Hosting of Web-portal for FRA with Online Fee Approval Process Software**

Quotations in sealed envelope are invited from reputed and experienced organizations for hosting of web portal of FRA along with Online Fee Approval Process Software for FRA for a period of one year. The Source Code CD with Database is available at out office for inspection. The existing software would be modified by the Software Developer as per FRA norms for 2018-19. The portal would also have a secured payment gateway for accepting Processing Fee.

There are about 3000 colleges / institutions which are expected to use the online Fee Approval process. Each college has been provided with an upload limit of 200 MB data in the form for uploading PDF files.

The technical details related to existing software are as follows:

Operating Environment

- PHP Scripting language
- MySQL Database
- Apache web Server
- Multi-platform – LINUX/UNIX/NT
- For Validation: Java Script and AJAX

The selected service provider would host the Software Application on the final server after the Software developer does the modifications and does the complete testing of the Software Application.

Interested parties may contact our office between 10:00 am to 5:00 pm from 12.9.2017 onwards. Quotations should be submitted in sealed envelopes latest by 5:00 pm on 15.9.2017.
