Item No.6:

(i)

Any other subject with the permission of the Chair.**To consider the letter dated 30/08/2024 received from Under Secretary, Higher & Technical Education Department, Mantralaya regarding fixation of fees in respect of B.B.A, B.B.M, B.M.S, B.C.A, M.B.A (Integrated), M.C.A (Integrated), M. Planning (Integrated) & M.HMCT (Integrated) courses for the academic year 2024-2025.**

"Discussed.

It was brought to notice that though the Department of Higher & Technical Education, State of Maharashtra was requested in the month of August 2024 to provide the copy of the notification declaring B.B.A, B.B.M, B.M.S, B.C.A, M.B.A (Integrated), M.C.A (Integrated), M. Planning (Integrated) & M.HMCT (Integrated) courses as 'Professional Courses', still the copy of notification is yet to be received. The concern Officials from the Department of Higher & Technical State of Maharashtra has informed that the process of translation of notification is in progress.

In contemplation that the said courses are declared as 'professional courses' by the Higher & Technical Education Department State of Maharashtra, it was decided to form the Committee consists of the following Members to collect the relevant information & recommend the course wise adhoc fees to be charged for the academic year 2024-2025.

1. Shri. S. Ramamoorthy, I.A.S, Member Secretary, Fees Regulating Authority.

(ii)

To consider the letter dated 02/04/2024 received from Lok Dyan Prasarak Sanstha run by Niharika College of Physiotherapy, Nagpur (PT0020) to collect the adhoc fees from the students admitted for the academic year 2023-2024 & 2024-2025.

"Discussed.

Heard.

Mrs. Surekha Raut the Secretary of the Trust running the College.

The Institute/College through Secretary of the Trust vide letter dated 22/09/2023 requested to grant permission to charge and collect the adhoc fees from the students for the academic year 2023-2024. The said letter was discussed in the

14th November, 2024(Part-I)

meeting of the Authority held on 07/05/2024 and the Authority has resolved as under;

"The Institute vide letter dated 22/09/2023 requested the Authority to grant permission to charge and collect the adhoc fees for the academic year 2023-2024 in respect of B.Physiotherapy course run by Niharika College of Physiotherapy, Nagpur. In brief it is stated that there was a change in the Management of the Trust running the Institute. The Institute is functioning from the academic year 2016-2017. The Authority had lastly approved the fees for the academic year 2019-2020. The Institute has opted for no upward revision of fees for the academic year 2020-2021. The Institute has submitted the proposal for approval of fees for the academic year 2021-2022 which was not considered by the Authority for the reason the Institute was put under 'No Admission Category' by the Maharashtra University of Health Sciences (M.U.H.S), Nashik. The Proposal was not submitted from the academic year 2022-2023. After change in Management the Institute has applied for permission to allow the Institute to admit the students. It is claimed that the Institute was allowed to admit the students from the academic year 2023-2024. The Institute has charge the adhoc fees for the academic year 2023-2024.

The Authority is of the prima facie view that since the Institute is functioning from 2016-2017, the Audited Financial Statement of the Trust must be available prior to 2023-2024. From the communication received there is no clarity about the continuation of the staff and payment of salary to the staff employed in the Institute from the academic year 2020-2021 and onwards. It was therefore decided to direct the Institute to clarify the position about the audited financial statement of the Institute and Trust from the academic year 2020-2021, 2021-2022 & 2022-2023. So also call the information from the Registrar, Maharashtra University of Health Sciences (M.U.H.S), Nashik, the reasons to put the Institute under 'no admission category' and subsequent grant of permission to admit the students from 2023-2024. So also the information be obtained from Maharashtra University of Health Sciences (M.U.H.S), Nashik about the students who were studying in the college when the Institute was put under no admission category & the Institute was allowed to function till completion of course by the students studying in the college or such students were transferred to other Institute. Put up after receipt of the information.

Let the follow-up action be taken accordingly."

Now the admitted position emerges that the college was functioning from the academic year 2016-2017 and the fees of the Institute/College was approved and decided till the academic year 2020-2021. The Institute was put under 'no admission category' during the academic year 2021-2022 by the Maharashtra University of Health Sciences, Nashik therefore the fees of the Institute was not finalized by the Authority for the academic year 2021-2022. The Institute has not submitted the proposal for approval of fees for the academic year 2022-2023 as the Institute was under 'no admission category' for the academic year 2022-2023.

Mrs. Surekha Raut the Secretary of the Trust submitted that the Management of the Trust running the Institute has changed & the new Management has started the B.Pharm course from the academic year 2023-2024 after obtaining requisite permission from Maharashtra University of Health

14th November, 2024(Part-I)

Sciences. Since the college was under no admission category for two years the Management has approached with request to allow the Institute to charge the adhoc fees for the academic year 2023-2024 & 2024-2025.

The Authority is of the view that the request of the Trust to allow the Institute to charge the adhoc fees for the academic year 2023-2024 and 2024-2025 cannot be entertained for the reason the Institute cannot be termed as newly started Institute conducting Bachelor of Physiotherapy course from the academic year 2023-2024. The Institute is infunctioing from the academic year 2016-2017. Only change in the Management of Trust running the institute/college from the academic year 2023-2024 . The adhoc fees can be charged if Institute has started new course. It was therefore decided not to entertain the request of the Institute to allow the Institute to charge the adhoc fees for the academic year 2023-2024 & 2024-2025. However, it was decided to grant liberty to Institute to apply for submission of proposal for approval of fees for the academic year 2023-2024 & 2024-2025 .

The Secretary of the Trust submitted letter to allow the Institute to submit proposal for the academic year 2023-2024 and 2024-2025 based upon the Audit report of financial year 2023-2024.

On due consideration of the overall fact of the case it was decided to allow the Institute to submit the proposal for approval of fees the academic year 2023-2024 subject to payment of penalty of Rs. 1,00,000/- and proposal for the approval of fees for the academic year 2024-2025 subject to penalty of Rs. 2,00,000/-. The proposal be submitted within four weeks from the date the link is made open to submit the online proposal. The hard copy of the proposals be submitted within one week from the date of submission of online proposal. The link be made open w.e.f 18/11/2024 till 15/12/2024.The payment of penalty shall act as condition precedent to entertain the proposal.

In veiw of the peculiar facts of the case that the college/institute was under 'no admission' category for the academic years 2021-2022 & 2022-2023, the Institute is permitted to submit the proposal for the academic year 2023-2024 & 2024-2025 based upon Audited Financial Statement of the Financial Year 2023-2024.

Inform to concern Official of the Institute/College accordingly".

(iii) To consider the letter dated 21/10/2024 received from ASM's Institute of Business Management and Research MBA Institute, Pune (MB6102).

"Discussed.

By the letter dated 21/10/2024 the Institute has made grievance about decision taken by the Authority in deciding the Review Application filed by the Institute. In brief it is the contention of the Institute that the Institute has received NAAC accreditation and same was not considered while deciding the Review Application.

The grievance agitated by the Institute is totally misplaced and without any basis. Once the Review Application is decided the Authority is not entitled to Review the order passed in Review Application.

Apart from the fact that further review is not permissible under law there is no merit in the request made by the Institute/College. The Institute has submitted the online proposal for approval of fees for the academic year 2023-

14th November, 2024(Part-I)

2024 on 30/11/2022. The said proposal was considered and the fees was approved Rs. 1,20,000/- per student was approved vide decision taken in the meeting of Authority held on 11/05/2023. The Review Application was partly allowed and the fees was revised as Rs. 1,26,500/- as per decision taken in the meeting held on 07/05/2024.

The contention of the Institute that the Institute has acquired NAAC accreditation and same was not considered while deciding the proposal for the academic year 2023-2024 is totally incorrect. In the proposal submitted for approval of fees itself the Institute has mentioned that Institute is not NAAC accredited. The copy of accreditation certificate forwarded with the letter dated 21/10/2024 itself reflect the NAAC accreditation submitted reflected that the accreditation certificate was issued on 28/03/2024 i.e. after submission of proposal & approval of fees for the academic year 2023-2024. In that view there was no NAAC accreditation to the Institute at the time of submission of proposal for the academic year 2023-2024 & till the date of approval of fees proposal . In that view the Authority was justified in not entertaining the request of the Institute to consider the additional benefit available to NAAC accredited Institution. The benefit of NAAC accreditation could have been claimed by the Institution by submitting proposal for approval of fees for the next academic year 2024-2025. However, the Institute has opted for 'no upward revision' of fees for the academic year 2024-2025. In that view the representation made by the Institute is devoid of merit and liable to be rejected. Accordingly the representation is rejected.

Inform to Officials of the Institute/College that no further representation/correspondence shall be entertained in this behalf".

(iv)

To consider the letter dated 20/09/2024 received from H.E.S. Homoeopathic Medical College, Akot Road Akola (BHMS0044) to open the link for submission of proposal for the academic year 2022-2023.

"Discussed.

The earlier request made by the Institute/College to opt for no upward revision of fees for the academic year 2022-2023 was considered and rejected by the Authority. The following decision was taken in the meeting of the Authority held on 12/09/2024.

"Considering the fact that the Institute/College has already opted for 'No Upward Revision' of fees for the academic year 2021-2022 the request of the Institute for 'No Upward Revision' of fees for the academic year 2022-2023 cannot be entertained in terms of sec 14(1) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015. Infact the Institute ought to have requested to allow the Institute to submit proposal by opening the link. Hence the request of the Institute to opt for 'No Upward Revision' of fees for the academic year 2022-2023 is rejected.

Inform to concern Official of the Institute/College".

Subsequent to decision dated 17/09/2024 the Institute has applied for permission to submit the online proposal for the academic year 2022-2023 & further requested to open the link for the same.

14th November, 2024(Part-I)

It is an admitted fact that the Institute/College has committed default in submitting the proposal for approval of fees for the academic year 2022-2023 within the period prescribed. The proposal for upward revision of fees for the academic year 2022-2023 ought to have been submitted on and before 31/10/2021 or a period extended thereby. However, the Institute has not submitted the proposal as per the mandate of sec. 14(1)(a) of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 (hereinafter referred to as the said 'Act of 2015') & thereby committed breach of sec 14(1)(a) of said Act of 2015 and liable for action u/s. 20 of the said Act of 2015.

In order to protect the interest of the students & the Institute to claim the reimbursement of fees etc., it was decided to allow the Institute/College to submit the proposal for the academic year 2022-2023 subject to penalty of Rs. 1,00,000/-. The payment of penalty shall act as condition precedent to entertain the proposal. The link to submit online proposal be made open w.e.f 21/11/2024 and same shall be kept open till 19/12/2024 . The hard copy of the proposal be submitted within one week from the date of submission of online proposal.

"Discussed.

It is the contention of the Institute/College that Institute was granted permission to run the B.Sc.(Nursing) course from the academic year 2022-2023. However, the Institute has failed to submit the proposal for approval of fees for the academic year 2024-2025 and confirmation & finalisation of adhoc fees charged for the academic 2022-2023 and 2023-2024. On due consideration of the request made and in the larger interest of the student to claim the reimbursement of fees, it was decided to allow the request of the Institute to submit the proposal for approval of fees for the academic year 2024-2025 and confirmation and finalisation of adhoc fees for the academic year 2022-2023 and 2023-2024 subject to penalty of Rs. 1,00,000/-. "Discussed.

In brief it is contention of the Institute/College that the Institute has started the B.Pharm course from the academic year 2022-2023 and charged the adhoc fees for the academic year 2022-2023 & 2023-2024.
