It was pointed out to the Officials present that in the proposal submitted for the academic year 2023-2024 the Institute has shown all the expenses including payment of salary to teaching staff paid from the Trust. No expenditure has been claimed as an expenses of the Institute/College. Due to this reason the fees of the Institute/College work out very meagre. The Officials of the Institute offered an explanation that as the Institute/College had no funds to pay the salary and expenses of the Institute, the expenses were incurred from the Trust. They were unaware the procedure to be adopted.

The Officials submitted that they are in a position to submit the expenditure made during the financial year 2023-2024. Since the adhoc fees to be confirmed the fees of the academic year 2024-2025 to be approved. The Officials were directed to submit the income and expenditure of each year with soft copy and supported with documents like Form No. 16. The statement of income generated by way of fees and other charges recovered from the students as well as expenditure shown in the statement to be furnished. At the request of the Officials adjourn to 13/09/2024.
