**Item No. 1 : To confirm the minutes of the 117<sup>th</sup> Meeting of the Fees Regulating Authority.**

The Minutes of the 117<sup>th</sup> Meeting dated 7<sup>th</sup> August, 2018 of the Fees Regulating Authority are confirmed and approved.

**Item No. 2 : To discuss in the matter of finalizing norms for academic year 2019-20**

Discussed.

**Item No. 3: To consider and decide regarding non submission of fee proposal.**

As desired by Authority, institutions submitted joint fees proposals for academic year 2016-17 & 2017-18. By using the software, scrutiny by CA panel and review by Fees Regulating Authority the fees for academic year 2017-18 was worked out. By reducing it appropriately, proportionately fees for earlier academic year 2016-17 was approved.

Some institutions desired that the fee structure only for academic year 2016-17 be approved and they did not want upward revision of fees for academic year 2017-18. In all such cases, the fees for academic year 2017-18 was worked out and by reducing it, proportionately, fees for academic year 2016-17 was approved. In the column of fees for the academic year 2017-18, remarks "No Upward Revision" was given.

All the institutions who did not seek upward revisions of fees for academic year 2017-18 now wants to retain the same fees i.e. fees for academic year 2016-17 as the fees for academic year 2018-19 without submitting proposal. We do not see any hurdle in accepting the request. This will be consistent with of section 14(1)(b).

Truly speaking, fees for academic year 2017-18 was infact worked out but was not declared since the institution did not opt for upward revision of fees for that academic year.

Inform such institutions that they are allowed to apply fees structure of 2016-17 for the academic year 2018-19. However they will have to submit fees proposal for the academic year 2019-20 within time stipulated. Non submission of fees proposal for academic year 2019-20 shall invite penalty according to law. Please note.

**Item No. 4 : To consider and decide in the matter of abolition of processing fee for submission of fee proposals by the educational institutions. (Read section 16 (3) of Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015. (Ref. Item No. 3 (iv) in the meeting dated 7/8/2018.)**

Financial position being processing fees earned by the Fees Regulating Authority and the expenditure made for all earlier years was considered. The balances of money lying in the fixed deposit was also considered. The Secretary also explained the budgeted expenditure of the Fees Regulating Authority. In view of the above and considering the sufficient balances to meet the budgeted expenditure it is resolved that in respect of the fees proposals to be submitted by the education institutions for the A.Y. 2019-20 earlier processing fee of 0.05% of the total fee proposed would be abolished. The educational institutions would not have to pay any processing fee while submitting the fee proposal for the A.Y. 2019-20.

It is clarified that this concession is for the academic year 2019-20.

**Item No. 5 : To consider and decide in the matter of availing cloud services by Fees Regulating Authority. (Ref. Item No. 3 (viii) in the meeting dated 7/8/2018).**

**Item No. 8 : Any other matter with the permission of the Chair.**

(i) **Consideration of Communication received from K.M. Kundani College of Pharmacy, Mumbai regarding fee proposal for M. Pharmacy course.**

Heard the Applicant.

Admittedly, the B. Pharmacy course is aided. It is clarified by Dr. Urmila Joshi, Principal that for M. Pharmacy course the Government of Maharashtra does not provide any aid. However, AICTE gives grant. It is further clarified that they

have not received any grant from AICTE from the academic year 2010. As such M. Pharmacy course is unaided and thus falls within jurisdiction of Fees Regulating Authority. It seems that because of confusion, the college was under impression that they are not required to submit fees proposal to Fees Regulating Authority. In view of the statement that no aid from Government of Maharashtra as well as no aid from AICTE received and since the college is private conducting professional course, it is desired that the college should submit joint fee proposal for academic year 2018-19 and 2019-20, subject to their right to agitate that M. Pharmacy course is also aided. Without prejudice to their right they are advised to submit joint fee proposal for the academic year 2018-19 and 2019-20.

(ii) **In the matter of Bombay Hospital, Mumbai for Non submission of fee proposal.**
